Veterinary medicine.

[Blome, Richard, d. 1705.
The gentleman's recreations: in three parts. The first
part contains a short and easie introduction to all the
liberal arts and sciences, &c. The second treats of horse-
manship, hawking, hunting, fowling, fishing, agriculture,
&c. Done from the most authentick authors, especially
several lately printed at Paris, as may be seen in the
preface; with great enlargements, made by those well
experienced in the respective recreations. The third is
a complete body of all our forest, chase, and game-laws,
(Continued on next card)
